If your child is pale and sickly, picks at the nose, starts in the sleep and grinds the teeth while sleeping, it is a sure sign of worms. A remedy for these parasites will be found in White's Cream Vermifuge. It not only clears out the worms, but it restores health and cheerfulness. Price 25c per bottle. Sold by Owl Drug Store.—Adv. d&w

Trieste Treats Animals Harshly.
One good thing done in the British consulate at Trieste—possibly, one may hope, a lasting one—was done not by a consul but a consul's wife. This was the establishment by Lady Burton of a society for the protection of animals, not before it was needed. It might be supposed that the Teutonic nations were inclined to kindness to those poor subject races; but, on the contrary, the indignant Englishman, and the still more indignant Englishwoman, can see nowhere so many skeleton horses as in Rhenish Prussia, excepting only Tuscany. Well, at Trieste the Teuton and the Latin meet, and neglect and active cruelty meet also, and the mule is sworn at in German and Italian at once.—London Chronicle.

BILIOUSNESS AND CONSTIPATION
It is certainly surprising that any woman will endure the miserable feelings caused by biliousness and constipation, when relief is so easily had and at so little expense. Mrs. Chas. Peck, Gates, N. Y., writes: "About a year ago I used two bottles of Chamberlain's Tablets and they cured me of biliousness and constipation." Obtainable everywhere.—Adv. d&w

Worth While Quotations.
"Be not anxious about tomorrow. Do today's duty, fight today's temptation and do not weaken and distract yourself by looking forward to things which you cannot see, and could not understand, if you saw them." —Charles Kingsley.

Uncle Eben's Philosophy.
"De man dat sells de dice," said Uncle Eben, "is de only one dat makes sure money out'n a crap game."

Worth Their Weight in Gold.

"I have used Chamberlain's Tablets and found them to be just as represented, a quick relief for headaches, dizzy spells and other symptoms denoting a torpid liver and a disordered condition of the digestive organs. They are worth their weight in gold," writes Miss Calara A. Briggs, Elba, N. Y. Obtainable everywhere.—Adv. d&w
